

SPRINT 3

Adding skill score

ABOUT US

MISSION

Our mission is to enhance client and candidate satisfaction by increasing the quality of sourcing, boost better recruiting practices that are focused on long-term hires and building employer and employee relationships. We strive to improve the overall process of recruitment online and offline. We put our efforts to increase customer satisfaction, to enhance the interaction process between clients and candidates, and streamline the process for better efficient results, which will result in cost and time saving.

VISION

Our main objective is to bridge the existing gaps between prevailing industry standards and what the academics offer to the graduates while passing out of university. Jobportal offers suitable skill deployment and training to the young talent before on boarding their first job. Our skill development programs are designed considering the present expectations in the industry.

OBJECTIV

Well directed programs for Appropriate suit the indu trainers; exp the current i with corpora internships E developmen Specialised i collaboration
